

PROTOCOL of Intentions on Cooperation

Tiraspol

April 28, 1994

At a joint meeting of representatives of law enforcement bodies of the Republic of Moldova, Katan V.D., and Pridnestrovie, Matveev N.S., a mutual agreement was reached on cooperation in maintaining public order, combating crime and in particular:

1. Mutual information support: regarding status, dynamics and structure of crime; detection of criminals hiding from investigation and trial, as well as debtors, and missing persons; commission of serious crimes in the service area and emergency situations; planning and carrying out of large-scale law enforcement activities.

2. Joint conduct of operational and search activities and investigative actions on cases dealing with serious crimes that received a lot of public attention.

3. Assisting in combating crime in other states with which the Republic of Moldova has international agreements.

4. Carrying out of the second round of reciprocal meetings between representatives of corresponding services in order to elaborate the mechanism of realization of intentions and forms of cooperation in May 1994.
