

**PROTOCOL**  
**on Agreed Issues of the Joint Working Group**  
**of the Republic of Moldova and Pridnestrovie**  
**on Economy, Finance and Bank Transactions**

1. For the purpose of developing industrial cooperation and improving the use of material and financial resources, to recommend economic agents of the Republic of Moldova and Pridnestrovie that they together develop new forms of economic management – associations of joint stock companies, consortiums, concerns, etc.

2. In order to reduce non-payments, to establish a working group on elaboration of the mechanism of reciprocal payments on mutual debts of economic agents of the Republic of Moldova and Pridnestrovie and to submit proposals within a ten-day period.

3. Taking into consideration the importance of regulating the use of energy resources, to establish a joint financial group for a comparative check of reciprocal payments for electric energy and energy carriers.

4. To consider it expedient to address the Government of Russia and the Central Bank of Russia with a request on the order and deadlines of repaying internal state debt of the former USSR with due account for the interests of the population of the Republic of Moldova and Pridnestrovie.
