PROTOCOL DECISION
on the Solution of Problems Emerged in the Field of Restoration
of Bridges across the Dniester

Having discussed the state of the bridges across the Dniester near the town of Dubossary and the town of Vadul-lui-Voda, the parties agreed as follows:

1. To consider appropriate and necessary to restore the above bridges as soon as possible.
2. Restoration shall be started with the bridge in Dubossary.
3. Design and estimate documentation shall be provided by the Ministry of Transport and Road Infrastructure of the Republic of Moldova within three months.
4. To accept the proposal to finance repair works in the following order:
 - a) the bridge near Vadul-lui-Voda shall be financed by the Ministry of Transport and Road Infrastructure of the Republic of Moldova;
 - b) the bridge near Dubossary shall be financed in equal shares by the Ministry of Transport and Road Infrastructure of the Republic of Moldova and the Ministry of Republican Economy and Transport of Pridnestrovie.
5. To instruct relevant authorities within a month period to examine the possibility to restore bridges across the river Dniester near Gura-Bicului and give the corresponding conclusion;
6. Taking into account the Law on the Road Fund, the parties consider it expedient to form the road fund according to a unified system provided for by this Law.
