

PROTOCOL DECISION
on Restoration of Operating Capacity of
the Moldovan GRES and Dubossary GES

May 14,1996

City of Tiraspol

In consideration of a real state of equipment of the Moldovan GRES and Dubossary GES and the need for considerable investment for restoration of their operating capacity, a joint commission for arranging activities on the joint use of the Moldovan GRES and reconstruction of Dubossary GES shall be established consisting of:

Kunyov V.P.
Sinyov V.G.
Chebotar M.A.
Ikonnikov V.Y.
Zhelyapov G.S.
Kulchitsky A.N.

This Commission shall make arrangements for restoration of operating capacity of the Moldovan GRES and Dubossary GES by June 15, 1996.
