PROTOCOL DECISION
on Relations in the Field of Postal Service
between the Republic of Moldova and Pridnestrovie

February 17, 1998

City of Tiraspol

Proceeding from economic expediency, speeding-up of the passage of postal items in delivery of postal services, in compliance with Regulation and Convention of the Universal Postal Union (UPU) and Law on Post, the Parties agreed as follows:

I. Authorized in rendering of basic postal services are:

National operator of the Republic of Moldova – State Enterprise “Poshta Moldovey” and territorial mail operator – Enterprise “Post of Pridnestrovie”, which delivers postal services on the base of a license issued by the Ministry of Communications and Informatics of the Republic of Moldova.

II. “Post of Pridnestrovie” Enterprise provides postal services in compliance with terms of a license and requirements of the Convention and Agreements of the UPU, and possesses additional functions and rights set by a separate agreement between the State Enterprise “Poshta Moldovey” and Enterprise “Post of Pridnestrovie”, approved by the Ministry of Communications and Informatics of the Republic of Moldova and Republican Communications Office.

III. This Agreement enters into force upon signing.
