**PROTOCOL DECISION**  
**On Repair of the Bridges Across Dniester River**

February 17, 1998

Tiraspol

Having considered the issue of repair of the bridges across Dniester river the Parties agreed as follows:

1. Pridnestrovian side allows the Ministry of Transport and Road Facilities of the Republic of Moldova to conduct assemblage of elements of superstructure of the bridge near Dubossary city in accordance with Protocol of February 9, 1998, signed by the Ministry of Transport and Road Facilities of the Republic of Moldova and the Republican Department of Transport and Road Facilities of Pridnestrovie.

2. The Republic of Moldova represented by the Ministry of Transport and Road Facilities shall transfer 4 (four) longitudinal girders to Pridnestrovian side in accordance with Protocol of February 9, 1998, signed by the Ministry of Transport and Road Facilities of the Republic of Moldova and the Republican Department of Transport and Road Facilities of Pridnestrovie.

3. To consider it necessary to repair the bridge at Gura Bicului village.
