

**PROTOCOL DECISION**  
**On Joint Actions in Field of Environmental Protection**  
**and Sustainable Use of Natural Resources**

August 8, 2001

Tiraspol

Having considered issue of the necessity of joint and coordinated actions in field of environmental protection and sustainable use of natural resources, the leaders of Pridnestrovie and the Republic of Moldova agreed as follows:

1. To approve Joint actions plan on environmental protection and sustainable use of natural resources in Dniester river basin (supplemented) in accordance with Protocol Decision of July 13, 1999.

2. To instruct Minister of Ecology, Construction and Territorial Development (G. Duka) and Minister of Natural Resources and Environmental Control (Y. Cheban) to:

2.1. Examine the issue of restriction of commercial fishing on Dniester river;

2.2. Consider in working order and resolve the following issues:

a) on conduction of joint ameliorative measures on Dniester river;

b) on joint fish stocking and antipoaching measures on Dniester river.
